## CERTIFICATE II IN FLORISTRY (Assistant)

### COURSE OUTLINE:

This course is designed as an entry level program to the floristry industry, or for workers seeking to gain qualifications in an industry in which they are currently employed.

The course will provide participants with the necessary skills and knowledge combined with practical experience to gain hands on skill development.

This is an exciting course delivered by experienced industry experts in a supportive and encouraging culture.

### COURSE DELIVERY:

This qualification is delivered with a combination of delivery modes, including classroom tuition and practical projects in a simulated workplace.

### CAREER OPPORTUNITIES:

The course is designed for people who want to enter the Floristry industry sector as an assistant to a qualified florist or in a floristry business or retail environment. It is also suitable for people who may be intending to progress to an apprenticeship in floristry or higher Floristry qualifications.

### RECOGNITION OF PRIOR LEARNING

Participants wishing to apply for RPL will need to discuss it at the Pre-Training Review with the CEO

### STUDENT COMMITMENT

- Attend all face-to-face classes
- Complete out of class work – average of 2 to 3 hours per week of self-paced learning including completion of assignments, research and assessments

Nationally Recognised Training at the Bacchus Marsh Community College is delivered with funding made available by the Victorian and Commonwealth Governments.
